**Alex Kozlov : Plains Indian Knife Sheaths: Materials, Design Construction** before purchasing it in order to gage whether or not it would be worth my time, and all praised Plains Indian Knife Sheaths: Materials, Design Construction:

2 of 2 people found the following review helpful. NiceBy Suzanne H. BennerMy husband is an outstanding beader and this book simply enhanced his ability and reinforced his quality. The designs are very nice.4 of 4 people found the following review helpful. Indian crafts "must have" bookBy Dale Ray ThomasThis a wonderful book for those interested in making a beaded knife sheath. The illustrations are terrific, and an amazing variety of beaded sheaths are shown. Many important construction questions are answered. Photographs include many old time knives.That being said, I wish a few more pages had been included regarding tack sheaths and quill sheaths.1 of 1 people found the following review helpful. This is a very good design and construction manual for making your own Plains ...By M. SchroederThis is a very good design and construction manual for making your own Plains Indian Knife Sheaths. The

pictures are good sized and easy to understand. This is not a manual on beading though, and most of the sheathes are beaded.

For the true connoisseur or the amateur collector of Native American crafts, this book offers excellent coverage of Plains Indian knife sheaths, worn by men and women for both ceremonial and everyday use. The book is filled with full color photographs of knife sheaths, as well as historic photos of Native peoples. The detailed instructions are fully illustrated and easy to follow. Many of the sheaths featured in the pictures were made by the author.

For the true connoisseur or the amateur collector of Native American crafts, this book offers excellent coverage of Plains Indian knife sheaths, worn by men and women for both ceremonial and everyday use. The book is filled with full color photographs of knife sheaths, as well as historic photos of Native peoples. The detailed instructions are fully illustrated and easy to follow. Many of the sheaths featured in the pictures were made by the author, who was born in Russia and became a leader in the Indian hobbyist movement in the Soviet Union. Now living in the US, he continues to create museum-quality reproductions of Native American craftwork. About the Author Alexander Kozlov was born in Russia in 1957. A prolific craftsman, he has spent over 25 years studying and creating hundreds of Indian-style reproductions recognized for their superb quality. In the 1980s, he became a leader in the Indian hobbyist movement. Alex and his wife immigrated to the U.S. in 1991, where he continues to produce museum quality reproductions.
