She uses it everyday with her gimp to make cute things!!! I highly recommend this book for beginner gimpers :)0 of 0 people found the following review helpful. A little hard to understandBy McZackBought this book and lanyards for a family vacation with niece and nephews ranging from 8 to

14. It had cute lanyard designs but the kiddos could not interpret the directions and illustrations and needed adults to help translate. Even the adults had a hard time. 1 of 1 people found the following review helpful. Fun! By Foxxylisa1025 I'm in the Big Brother Big Sister program. I bought this for my Little Sister. She loves it. Great activity to bond over.
