**Julie Hedges : Ply-split Braiding: Further Techniques** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ply-split Braiding: Further Techniques:

Detailed instructions on advanced techniques including Ply-Split Darning, Single-Course Oblique Twining, Plain Oblique Twining, and Ply-Split Hexagons. Published in the UK (80 pages including color photos and illustrations, spiral bound - 2011).
