I love the different patterns of Hawaiian quilts as they are views from nature and I have even turned to applique' to make more Hawaiian quilts.0 of 0 people found the following review helpful. Five StarsBy KristinstilesThis book has new designs and is easy to follow. I recommend it.0 of 0 people found the following review helpful. Just what I was looking for!By C4tw0m4nJust what I was looking for without me having to design my own one-piece applique designs! Shipping was fast even though I was so excited I mistakenly ordered 2! However, not worried about it, I can always give the second copy as a Christmas Gift to another applique enthusiast.

The fifteen specially created quilt patterns and designs from Poakalani and John Serrao's quilting family continue the art and legacy of Hawaiian quilting with their beautiful designs which reflect the beauty of Hawaii from the curving shape of the ukulele to the state's flower, the hibiscus. A must-have for quilters who enjoyed the first volume of patterns and need new patterns for new projects.
