eqlibrarianVery thorough -- have an old one from years ago which tells everything about flower arranging, selecting,  
preparing, and arranging flowers -- recently gave a copy to my daughter-in-law and then her sister, who requested it  
after seeing my arrangements guided by this classic!0 of 0 people found the following review helpful. Favorite Floral  
Reference BookBy Patricia D. PetersonSo happy to find a new copy of an old go to resource book!0 of 0 people found

excellent condition. Content was well described in the ad. Very pleased with this purchase.

A practical mini-reference library on flower arranging that covers every aspect of the subject with step-by-step  
photographs to take the reader systematically through every technique. Throughout, key hints and tips, charts,

directories and diagrams are used to supplement the instructions.
