This book and a clover pompom maker and yarn would be a great gift idea By SBI purchased this book for my 7 year old granddaughter who loves making pompoms on her fingers. I know she will be as inspired as I was when I opened the book. 25 projects include pompoms made of tissue paper, yarn, felt, baker's twine (on the tines of a fork!).... This book and a clover pompom maker and yarn would be a great gift idea! 4 of 4 people found the following review helpful. Pretty book but---By yarndances Not much new..very repetitive--once you've got the idea, you've got it....if you've ever made pompoms. A pretty book but again, not much new.

Whether they're perking up your clothes, brightening your home decor, or bringing a rainbow of color to your next party, pom-poms are perfect wherever they pop up. Each project in this book has oh-so-simple instructions and photographs that'll have you whipping up homemade tufts in all kinds of eye-catching patterns, from speckles to stripes to polka-dots. And don't worry about running out of yarn. You'll learn how to put a new spin on poms with a host of fun materials like tissue paper, tinsel, coffee filters, and cupcake wrappers. With 25 fresh and fancy takes on a classic,

Pom-Poms! will give crafters of all ages a reason to cheer.
