All the psycho-social benefits of adult coloring books (stress reduction, etc). AND the added benefits of each page instantly transforming into a letter to mail - flying poop! I also appreciate that each page is not so detailed that it takes hours/days to complete. We all know how stressful an unfinished poop can make us feel.Keep the poop. Give the poop. Just poop!1 of 1 people found the following review helpful. and I can't wait to give my friends all kinds of crap! The book looks gloriousBy CustomerThe delivery man just plopped this fresh on my porch today, and I can't wait to give my friends all kinds of crap! The book looks glorious, not too bulky and not too thin, just the right consistency and shape. Valbrains, you started a movement.0 of 0 people found the following review helpful. Five StarsBy Anthony VadalaThe whole family got a laugh as my brother opened this birthday present

Did you love the book? Leave a review! Imagine a beautiful and glorious world in which poop, coloring books and repeat patterns come together... Oh wait, that world already exists and you can be in it... but only if you order this book! It's a calming way to relax and enjoy some stress relief or a funny gift book for a friend. The poo-ssibilities are endless. FAQ: Q: Why does each design show up in the book twice? A: Great question, friends. Each design is printed twice so that: 1. You get a second chance at coloring each poo. No need to worry about mess-ups or feeling like you have to get it right the first time. (There's always a #2.) 2. You don't have to fight with your romantic partner about who gets to color which turd--you can each have your very own chance at each one. 3. You can keep a design for you (and put it proudly on your fridge) and share the same design with a friend. 4. You can have a "who colored it best?" contest. The possibilities are endless :) Q: Do I have to color all the turds in shades of brown? A: Nope. Use your imagination :) Each turd comes on its own page so you can tear it out and give it to a friend, display it on the fridge in your own home. If you fold along the dotted lines you can even create a little envelope and mail your beautiful design to the poop enthusiast of your choice.
