1 of 1 people found the following review helpful. This book is easy to understandBy AnaCThis book is easy to understand. This is my second pop-up cards book and I enjoy making them. My favorites in this one is the guy in the hammock which is on the cover and the sick in bed kid.1 of 1 people found the following review helpful. Great book to ownBy Kathy CherryIt is a lot of fun making the cards from this book. Easy to read and understand the instructions. Easy tochange a few little things about them to really make them your own. Great book for a card maker to have.2 of 2 people found the following review helpful. Spectacular cards, but not easyBy FaCS teacherThis book had some great cards, but it is not for beginners. If you have some knowledge, you can make absolutely dazzling cards. But I was looking for something I could learn How-To, and this wasn't it.However, if you want inspiration, and to make cards

that will blow people away, this book has a category for about everything.

Pop-Up Cards contains a lively collection of easy-to-make and entertaining novelty pop-up cards. Whether you want to say, "Happy Birthday," "Merry Christmas," "Get Well Soon," or "Congrats" to a friend or loved one, there's sure to be a fun way to express yourself in this book. A highly practical instruction book, the various construction methods for the cards are ingenious yet uncomplicated, and there are clear, concise instructions that allow anyone in your family to construct them quickly and easily. The cheerful characters and playful designs include frogs, a jack in the box, champagne, cakes, balloons, and umbrellas that are sure to bring a smile to the recipient. All the projects contain helpful tips for achieving a professional finish as well as ideas for variations. So surprise your loved ones with a fun personalized greeting that they're sure to remember.
