Lots of pictures of cutesy items, not anything special. Really not worth the money.

Christmas is a time for sharing, and there's no better way to share the joy of the season than with hand-knitted gifts for friends and family! The 20 delightful patterns in We Knit You a Merry Christmas run the gamut from traditional characters such as angels, Father Christmas, and the Three Kings to knitted animals like kangaroos (Hoppy Christmas) and sheep (Baa Humbug), as well as quirkier items like chilies, mushrooms, and of course the famous Ha Pea.
