before purchasing it in order to gage whether or not it would be worth my time, and all praised We Love to Craft -
Christmas: Fun Stuff for Kids 17 Handmade Fabric Paper Projects:

Get your crafty kid in the holiday spirit by giving the definitive guide to creating stylish, handmade gifts. Seventeen modern projects of varying skills levels run the gamut from pillows and barrettes to wreaths and ornaments, made using only paper or fabric. Your crafter will learn how to choose the best materials for each project, and the book's tips and tricks will make each project easier and more fun.
