**Karen Tran : Wedding Flowers: Karen Tran** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wedding Flowers: Karen Tran:

4 of 4 people found the following review helpful. One look in a friend's book will satiate your curiosity. Not worth purchasing at this price point for its quality.By CustomerI was so excited to get this book by one of my absolute favorite designers! Completely shocked by the low resolution photos and overall quality/feel of the book. All the images found in this book can be found in equivalent or better quality online by doing searches for Karen Tran's floral work.0 of 0 people found the following review helpful. Five StarsBy shirley btreshSpectacular

One of the country's leading wedding designersKaren Tran Florals and Events is all about the creation of exquisite floral arrangements to enhance every kind of occasion. With her company based in Southern California, she enjoys the year-round sunshine and being able to immerse herself in the natural outdoors that she loves. She has a true passion for her art form and her clientele are fortunate to have her fantastic floral sculptures decorating their events. From

weddings to dinner parties, to corporate affairs, Karen Tran's stylish designs add just the right touch of extravagant elegance and dazzling opulence wherever there is a desire for the beauty of extraordinary flowers. Known as one of the country's leading wedding designers, Karen has set a high standard and is considered a trendsetter in her field. This book is a cross section of 20 years of excellence.
