Over twenty West Virginia glass companies of the early twentieth century, including Alley™, Beaumont™, Blenko™, Fenton™, Fostoria™, Monongah™, Morgantown™, Paden City™, Seneca Glass™, Weston Glass™, and West Virginia Glass Specialty™, are featured. More than 500 color photographs display diverse forms of beautiful glassware produced from the 1920s through the 1940s. Trade journal advertisements and catalog pages

along with individual essays about each company, bibliographic references for further research, and current values in the captions make this a valuable resource.
