**Karen McTavish : Whitework Quilting: Creative Techniques for Designing Wholecloth and Adding Trapunto to Your Quilts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Whitework Quilting: Creative Techniques for Designing Wholecloth and Adding Trapunto to Your Quilts:

40 of 40 people found the following review helpful. HAND QUILTERS, TOO, WILL VALUE THIS BOOK!By C. A. McphersonFor years I have been hand quilting and last year designed and quilted my first wholecloth quilt. Since I had

no previous instruction, it is fair to say that had I had Karen's book, life with my wholecloth venture would have been a lot easier. This book is in the top 3 in my library. It is not only beautifully bound and comes with an attached satin ribbon for page marking, but the information is invaluable and the pictures are remarkably gorgeous! (Perhaps because the quilts are the same.....gorgeous!) Packed with ideas, this book contains explicit directions for choosing fabric, stencils, designing, marking, shadow trapunto, and more. Particularly special is the fact that Karen not only instructs and displays her own quilts, but she spotlights the quilts of other quilters and allows them to give narration on the drawbacks and the values of different techniques and products, mistakes and victories! If one cannot be inspired by the beauty and simplicity of directions in this book, that person is not cut out to be a quilter! Although written with instructions for machine quilting, this book is invaluable for hand quilters, as well. 0 of 0 people found the following review helpful. Wonderful book By Mootie Rely great information....great 1 of 1 people found the following review helpful. Five Stars By Ann Nelson Arrived as promised. Well worth the money!

A guide to creating wholecloth quilts as well as an examination of the art of quilting, this work provides an in-depth analysis of more than 50 quilts and the technique and inspiration behind their composition.

"Award-winning quilter McTavish has a passion for wholecloth quilts . . . This beautiful coffee-table book is highly recommended for large public libraries." -- Library Journal About the Author Karen McTavish is an award-winning professional longarm quilter and teacher. Her work has been featured on the PBS show Quilt Central. She lives in Duluth, Minnesota.
