Stella Edwards : Wildlife in Needlepoint before purchasing it in order to gage whether or not it would be worth my time, and all praised Wildlife in Needlepoint:

0 of 0 people found the following review helpful. Great photos and ideasBy hfjIf you're interested in creating needlepoints of animals, this book has some very good designs. However, it's not exactly for the beginner. Best if you've done some stitching for a while.Still, a good resource at a very affordable price.0 of 0 people found the following review helpful. Beautiful photos but no directions.By Gail L. MyersDisappointed, no patterns provided.

Book by Edwards, Stella
