Singer Reference Library, Cy Decosse Inc : Window Treatments (Singer Sewing) before purchasing it in order to gage whether or not it would be worth my time, and all praised Window Treatments (Singer Sewing):

3 of 3 people found the following review helpful. Curtains and drapesBy MamaDLike the informations said the book is somewhat out of date, but still has the same basic sewing ideas. I got some good ideas from the book and will likely try some of them, just update with patterns or colors. For the price the book is a good investment for my sewing room.5 of 5 people found the following review helpful. Window treatments.By Guadalupe MoralesA great reference for those with some sewing skill. Stepby step instructions are clear and the pictures are great. It is a bit dated, but the basic informtion can take you tothe next level of your skills.0 of 0 people found the following review helpful. I'm happy.By C. HankinsThese are just for my library. They were new when they arrived. shipped quickly. I'm happy.
