Windows of Elegance Volume 2 from Wardell Publications stained glass is following from the great success of Windows of Elegance Volume 1 published in 1996. This 2nd volume brings together a completely new selection of dramatic art glass installations using location specific photography. Windows of Elegance Volume 2 is a guided tour of the designs that have made Glass Reflections Studio one of the most respected art glass studios in south Florida. Whether you are researching decorating ideas for your own home or if you are seeking inspiration to create a stained

glass work in your art glass studio, *Windows of Elegance Volume 2* will help you strike a balance between beautiful and practical, lavish and comfortable. *Windows of Elegance Volume 2* is sure to be a valuable resource for homeowners, architects, art glass studios, interior designers, and stained glass hobby crafters.
