I'd picked up the pattern sheets in a slipcase a few weeks ago, and having the accompanying book helps to complete the package.0 of 0 people found the following review helpful. I really enjoyed looking at all the patterns in this bookBy Barbara A. AkerI really enjoyed looking at all the patterns in this book. Some were missing but I really wanted it more to view the different patterns rather than needing to have the patterns. I enjoyed what was available. It would be fun to see a copy with all the patterns in it.2 of 2 people found the following review helpful. great addition to your needlework libraryBy Anna M. Storchthis is a wonderful book, complimented by all those real size patterns. It will never go out of style, timeless
