From The Needlework Gazette : Wonderful Stitches 320 Decorative Stitches for Needlepoint before purchasing it in order to gage whether or not it would be worth my time, and all praised Wonderful Stitches 320 Decorative Stitches for Needlepoint:

0 of 0 people found the following review helpful. Great resourceBy Kate DickersonThis book is filled with interesting stitches. It is a great resource for people who know how to needlepoint already. There are no numbers, so you have to figure out how to stitch each one on your own. Also, I wish the stitches had names, instead of numbers, which would make it easier to cross-reference with other guides.
