LoverDisappointed -More of a pamphlet in size of 8 1/2" by 5 1/2". It would have been more enjoyable to see full page photos of quilt and directions. Largest actual photo of quilt is on the cover and its only a side view of quilt on bed. Only 12 small pages including both sides of front and back covers. I'm a fan of Ms Hunters work but not this version. .1 of 1 people found the following review helpful. Another winner by Bonnie Hunter!By susan galassoHow can you go wrong with a Bonnie Hunter pattern? I'm making mine using as many fabrics as possible and hopefully making a small dent in my fabric collection. But I can see this in a planned color scheme, too. As always, the directions are clear and easy to understand.0 of 0 people found the following review helpful. Fun, fun, fun!!!By CustomerLove it all the possibilities it conjures up! Rather small pieces for me, a beginner, but can easily enlarge. So glad I ordered this.
