Dale Nish : Woodturning Christmas Ornaments with Dale L. Nish before purchasing it in order to gauge whether or not it would be worth my time, and all praised Woodturning Christmas Ornaments with Dale L. Nish:

0 of 0 people found the following review helpful. A birdhouse in the hand ...is this super book NOT in the bookshelf. By J Bookreally well made and presented. If you know nothing about turning, get a beginner's book. This one takes you on a good tour of turning birdhouses with great creativity and care. 0 of 0 people found the following review helpful. Five Stars By Gerald Couture Tres Bien 0 of 0 people found the following review helpful. Five Stars By Blacksmith Very good reference book

Master woodturner Dale Nish shares his best projects and techniques for making 12 wooden ornaments.

From the Back Cover Create Ornaments that Will Be Cherished for a Lifetime Woodturned Christmas ornaments are

delicate and fun to make, and their variations are limited only by your imagination. These twelve easy-to follow projects include elegant ornaments with a traditional feel as well as more contemporary pieces. Master woodturner Dale L. Nish shares his designs for his favorite winter home decorations with clear step-by-step instructions, color photos, and detailed plans to guide you through all the basics of wood preparation, turning, finishing, and assembly. You'll learn his expert tricks and techniques for using templates, creating finials, and making mandrels to hold your work. A colorful gallery provides an inspiring array of additional ornament ideas from today's leading woodturning artists. Whether you're looking for something special to add to the tree this year or searching for a great gift idea, you'll be sure to find your holiday masterpiece on these pages.

About the Author Among the elite woodturners in the United States, Dale L. Nish has demonstrated his skill nationwide and throughout Europe. For several decades, Nish has been educating others about his craft. Woodturning with Ray Allen is the latest of his many books, which include Creative Woodturning, Artistic Woodturning, and Master Woodturners.
