Tara Darr : Wool Rug Hooking before purchasing it in order to gage whether or not it would be worth my time, and all praised Wool Rug Hooking:

0 of 0 people found the following review helpful. Wool Rug Hooking book extremely helpfullBy Michael AnnI have been rug hooking for three years with a guild in Eau Claire, Wisconsin. Now that I moved to Minnesota I needed reassurance regarding the techniques for dyeing wool on my own. I wanted to use onion skins primarily and the step by step directions for "onion soup" style dyeing was one technique I had never tried. The directions were easy to understand and follow. The rest of the book is much the same way. Easy directions and challenging techniques. You can't go wrong with this book.I looked over several books on wool rug hooking at our local library and this one was the best to be found.Mike Mort18 of 18 people found the following review helpful. Good history. Complete guidelines for beginners.By J. GaryetThis book has a full history of rug hooking which is a nice background to have when

starting out. The instructions for beginners are the most complete I've seen so far including information on tools and the different kinds of rug hooking. Pics are nice, and the projects look to be complete with proper instructions. Although several aren't to my taste, there is still enough variety here for me to choose some I like and it teaches me something regardless of whether or not I use the pre made patterns here. 0 of 0 people found the following review helpful. Five Stars By KR Enjoying the book -- goes well with a cup of coffee!

30 gorgeously illustrated projects bring contemporary spin to traditional rug hooking. Readers will learn how to dye their own wool for use in their projects, as well as the basics of selecting fabric and rug hooking techniques, so they can easily move on to the step-by-step instructions for creating each project. Tradition in the Making: Wool Rug Hooking goes beyond just rug hooking to include a variety of projects, including pillows, garment embellishments, footstools and hot pads. Full-size patterns and step-by-step illustrations are included for each project. A special section shows readers how to create their own patterns and work from designs that inspire them. -30 projects for rugs, home dcor, garment embellishments and more -Covers the basics of dyeing wool, selecting fabric, and hooking techniques - Includes full-size patterns and step-by-step instructions
