**Paul N. Hasluck : Working with Hand Tools: Essential Techniques for Woodworking** before purchasing it in order to gage whether or not it would be worth my time, and all praised Working with Hand Tools: Essential Techniques for Woodworking:

0 of 1 people found the following review helpful. Four StarsBy brandenreidBook in great shape.1 of 1 people found the following review helpful. A good reference source for hand tools and methodsBy resimaticA good reference source for hand tools and methods. It does leave out some specifics for some things, but no book can cover it all. It is a

dense book and covers a great deal of info. 9 of 10 people found the following review helpful. Potential buyers should be aware that all the books authored ...By Bruce S. R. Lee Potential buyers should be aware that all the books authored by Paul Hasluck are 100 years or so old and readily available from a number of on line libraries as they are out of copyright. If you need a paper copy and can't be bothered printing off your own then go right ahead.
