Jean-Jacques Duval : Working with Stained Glass: Fundamental Techniques and Applications before purchasing it in order to gage whether or not it would be worth my time, and all praised Working with Stained Glass: Fundamental Techniques and Applications:

0 of 0 people found the following review helpful. BasicsBy William GandolfiGood b0 of 0 people found the following review helpful. This is a book well written and illustrated, but ...By paul larnce jrThis is a book well written and illustrated, but it has many pitfalls that the novice is not aware of. This is a book for advanced students who have had more experience working with stain glass.

Very good, front dust jacket has a few wrinkles..
