From Hamlyn : World Furniture: Illustrated History from Earliest Times before purchasing it in order to gage whether or not it would be worth my time, and all praised World Furniture: Illustrated History from Earliest Times:

0 of 0 people found the following review helpful. Four Stars By ana f commella Good information and great pics. 1 of 1 people found the following review helpful. Adore this book!! It is surely worth more ... By Rosemarie White Adore this book!! It is surely worth more than a few dollars. Am puzzled as to why it says it is in German. It is in English for goodness sake!!! it is a huge book, very thick, absolutely fascinating. Should be worth certainly more than a few dollars, I would think mine is worth more than \$50.00 for sure!!! 1 of 2 people found the following review helpful. World Furniture: An Illustrated History By Catherine W the good book for learn the history of furniture
