Robert G Hall : World Paperweights: Millefiori and Lampwork (Schiffer Book for Collectors with Price Guide)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised World Paperweights:
Millefiori and Lampwork (Schiffer Book for Collectors with Price Guide):

Lampworked and millefiori paperweights have become recognized as little works of art, because their intricate designs challenge the most accomplished glassblowers to be inventive and in full control of molten colored glass. Successful pieces are beautiful and intriguing, displaying the best skills in the glass field. Included are company histories and detailed descriptions of nearly 500 of these amazing paperweights produced over the last 150 years. Chinese copies

from the 1930s and the latest fakes and copies are shown, which every collector should know about. The authoritative text includes new information that will fascinate collectors, and many rare and exceptional paperweights appear here that have never before been published. Pricing information and a detailed glossary are included. This important book belongs on the bookshelf of all paperweight enthusiasts, and will particularly appeal to all who are interested in glass production.

About the Author Robert G. Hall is the author of two other dedicated books on paperweights, *Scottish Paperweights** and *Old English Paperweights**.
