Most of the projects should be possible for anyone. A color photograph depicts each of the many wreaths and other projects in final form.Booklist. Use evergreens, flowers, herbs, nuts, pine combs, feathers, flowers, and more for a wreath that reflects your personal style and decor. There are 86 wreaths, garlands, and swags.Quick Easy Crafts.

From Library JournalWreaths, although they have a long association with the holidays, are often made in the summer or fall, when raw materials are the most abundant. This book includes living wreaths and ones made from nonplant

material. An introductory section describes basic materials, followed by the wreaths themselves, beautifully photographed in a variety of settings. All will make excellent holiday decorations. This book is similar in content to Ellen Spector Platt's *The Ultimate Wreath Book* (LJ 2/15/96); libraries owning Platt may choose to pass on this. Copyright 1996 Reed Business Information, Inc.
