**Pat Olski : Yarn Whirled: The Royal Family: Easy-to-Craft Yarn Characters** before purchasing it in order to gage whether or not it would be worth my time, and all praised Yarn Whirled: The Royal Family: Easy-to-Craft Yarn Characters:

0 of 0 people found the following review helpful. LovelyBy LeylaThis book surprised me, I was expecting wire arm work and polystyrene but I was very pleasantly proven wrong. All modelled with wool, not a single wire anywhere. The wrapping gives a very solid effect and perfectly safe for children to play with. The dolls look like they came out of a fairytale, and have a resemblance to the royals. I love them. These can be made out left over wool or new balls - either way they would make a lovely gift for a child.0 of 0 people found the following review helpful. Super easy yarn crafting technique!By VanessaContrary to what the first review on this book says, this is NOT a crochet book. You actually don't need any crochet, knitting, or sewing skills. The dolls are all made by wrapping yarn around itself, and

it's super easy to do! There are basic instructions for the technique of making a doll, and then specific instructions on how to create each character from the royal family. The dolls are very accurate and detail oriented. Even if you don't think you want to attempt making one yourself, the book is great to own just for the photography, and it also makes a great gift! And for those of you who want to make dolls, they're made using popular yarn brands that are ways to find!

Title: Yarn Whirled: The Royal Family Author: ...By DelAnne Title: Yarn Whirled: The Royal Family Author: Pat Olski Photographer: Kraus Brian Publisher: Dover Publications Published: 6-14-2017 Pages: 96 Genre: Crafts and Hobbies Sub-Genre: Crochet; Stuffed Animals; Needlecrafts ISBN: 9780486812007 Reviewed For NetGalley and Dover Publications Reviewer: DelAnne Rating: 5 Stars A crocheted recreation of the British Royal family. From Queen Elizabeth to the newest addition of Princess Charlotte. Included are crowns, medals, outfits. With concise instructions and colored photo to use as a guide to follow, these are a welcome addition to any collector of British memorabilia or dolls. My rating is 5 out of 5 stars.

"It is so cute. It's the most charming craft book I've seen in ages!" Jessica Morgan author of The Royal We and Go Fug Yourself.com Discover one of the hottest new crafts around with this fun and collectible guide. No plastic, wood, or metal base is involved; the cuddly dolls are easily made by wrapping yarn around itself. Each project features simple instructions accompanied by color photographs that illustrate every step. The only hard part is choosing a character, so you might just have to make them all! The 31 projects include yarn dolls of Queen Elizabeth at her coronation and on her 90th birthday, Charles and Di, Will and Kate, and many others. Bonus crochet patterns for royal accessories are included.
