**Patrick Lose : Year-Round Quilting With Patrick Lose: 24+ Projects to Celebrate the Seasons** before purchasing it in order to gage whether or not it would be worth my time, and all praised Year-Round Quilting With Patrick Lose: 24+ Projects to Celebrate the Seasons:

9 of 9 people found the following review helpful. I have completed several of his projects and always been happy with the resultsBy ThimblesFirst let me say, I am a big Patrick Lose fan. I have completed several of his projects and always been happy with the results. Directions are easy to follow. Therefore, I was looking forward to "Year Round Quilting" and the seasonal projects. Unfortunately, at least four of the 24 projects in the book I have from other

publications -- Fons and Porter magazine, Patrick Lose quarterly magazine, etc. I felt like I had been cheated and paid twice for these patterns. I incorrectly assumed the book would be original with original work, not a compilation from other sources. Too bad. Now I will be most reluctant to purchase any other Patrick Lose products. 0 of 0 people found the following review helpful. QuiltingBy CustomerGreat Book. About the Author Patrick has spent his professional years in a variety of creative fields. He began his career as an actor and singer, which eventually led him to designing costumes for stage and screen. Costuming credits include more than 50 productions and work with celebrities such as Liza Minnelli and Jane Seymour. An artist and illustrator since childhood, Patrick works in many mediums. When he sits down to "doodle" at the drawing board, he never knows what one of his designs might become. But, whether it's designing quilts, wearable art, stationery products, or home decor, he enjoys creating it all. A prolific designer, he is probably most well known for his very successful and long-running collections of fabric from Timeless Treasures, Robert Kaufman Fabrics, and Moda that include his trademark marbled solids which are trendsetters in the industry. Patrick's quilts, crafts, clothing, and home decorating accessories have appeared in such distinguished magazines as Better Homes Gardens, American Patchwork and Quilting, Country Crafts, Christmas Ideas, Halloween Tricks Treats, and many more. He has also written books on quilting and crafting for CT Publishing and Sterling Publishing and has appeared on several television programs including The Carol Duvall Show, Simply Quilts, and America Sews. Look for Patrick's magazine, Quilting Celebrations, in quilt shops and on newsstands everywhere. His companion show to the magazine, Quilting Celebrations with Patrick Lose can be seen on QNNtv.com.
