**Deborah M Poole : You Can Quilt It!: Stunning Free-Motion Quilting Designs Made Easy** before purchasing it in order to gage whether or not it would be worth my time, and all praised You Can Quilt It!: Stunning Free-Motion Quilting Designs Made Easy:

1 of 1 people found the following review helpful. Best book for learning GREAT quilting techniques!By LynnEIWhat a GREAT book! I love it and am reading every word! The pictures support the instructions and Deborah gives specific instructions on how to quilt to make your quilt a beautifully quilted work of art! This is the book I've been searching for my whole quilty life! (the last 10 years). It's the best!0 of 0 people found the following review helpful. Not for beginning long armersBy Elizabeth CarricoUnfortunately this book was not what I was expecting. I was looking for a beginner book and right on the first page the author said this was not for beginners.0 of 0 people found the following

review helpful. Great bookBy Miyuki G.I wanted to find some books for free motion and I decided to buy this book.I was looking for a book like this.I took some classes for free motion and I have some books already but I know this book will help my quilting time.

From the award-winning expert whose masterful quilting appears on many of Kim Diehl's popular projects, here is your guide to creating beautiful machine-quilting designs. Deborah M. Poole has the motto "You can do it," and in this book she shows you how."Deborah's wonderful designs, and the precision with which she stitches them, are truly the icing on the cake when I make my quilts. Her knowledge, expertise, and approachable techniques make it possible to elevate even the simplest of quilts into heirlooms."Kim DiehlFollow step-by-step instructions to make feathers, create curved cross-hatching, and fit a design to the quilt border on either a long-arm or home sewing machineSee well-illustrated examples of the thread path and achieve such uniform freehand designs that they'll look computer generatedGain the skill and confidence to tackle a difficult pattern; Deborah makes artistic designs simple to stitch

Deborah teaches all the ins and outs of free-motion quilting designs. You'll learn how to use templates, rulers, stencils, and registration lines to keep your quilting patterns even. She includes both traditional and original designs. --Cyndi Lavin, Mixed Media Artist blog, June 2014About the AuthorDeborah Poole comes from a long line of quilters. She lives in southeastern Idaho with her husband, Jace, and claims to be an Idaho native by marriage. She is the mother of two lovely young women and a wonderful young man. She also has two terrific sons-in-law and four beautiful grandchildren. Some of Deborah's awards from regional and national shows include many first and second places, plus numerous honors for Best Machine Quilting, Judge's Choice, Best of Show, and Viewer's Choice.
