Kazuhisa Fujie, Martin Foster : Yu Yu Hakusho Uncovered: The Unofficial Guide (Mysteries and Secrets Revealed!) before purchasing it in order to gage whether or not it would be worth my time, and all praised Yu Yu Hakusho Uncovered: The Unofficial Guide (Mysteries and Secrets Revealed!):

2 of 2 people found the following review helpful. Very little "new" material. Don't bother.By Sara GauppThe book is comprised of mostly Q / A and tries to pass off as new material. Almost every question could be answered by watching the anime or reading the manga once.Don't bother unless you want most of the series regurgitated at you with rare small tidbits information that you might not have known before.0 of 0 people found the following review

helpful. Useless if you've actually read the series. By Debbie If you've read the series you don't need to read the book. Really didn't add anything new. Everything is covered in the manga. 1 of 2 people found the following review helpful. UNofficial guide By Macayla Taylor I feel that this guide is more about the manga of YuYu Hakusho than the show. It spouts some lies. For example, Hiei's mother wasn't killed. She killed herself. Any of her kind that has a male child is shunned. For the disgraced their tribe. It was still a good unofficial guide. I wish it went more into the background of some characters like Yen.

YuYu Hakusho: The Complete Guide takes the reader on a whirlwind tour through Yusuke's worlds, unearthing and explaining everything from story backgrounds and characters quirks to supernatural technologies and actual merchandise for sale on the streets of Tokyo. Yusuke, a tough teen delinquent who dies saving a child from a traffic accident, is reborn as a Spirit Detective, and his adventures are played out in a fast-paced, multi-dimensional world of supernatural baddies and doting teenage girls. Since its launch in 1990, this manga has sold 40 million copies in Japan and become a hit series on Cartoon Network. *Mysteries and Secrets Revealed!* is an all-new series of guides compiled in Tokyo by fervid fans of Japan's most popular anime.
