This book is very thin but contains 60 projects.That is probably why the instructions are so hard to follow unlike similar books I own.If you are a beginner, I don't recommend this book, as the instructions assume you've got some knowledge of crocheting. I've been crocheting for 8 years or so, but still I had to do a lot of guessing when I tried few projects.Otherwise, pictures are very well done and attractive, and make you want to make them. If you can follow instructions, the results are good too.All in all, I think this is a book for intermediate or advanced crocheters.1 of 1 people found the following review helpful. Cute items, great book!By C. CarsonI love anything to do with crocheting food items, and this book is no exception. Easy-to-follow instructions, and cute items. Great for making toys, props for a play, display items, whatever you can think of to use them for!1 of 1 people found the following review helpful. Really kool projects!By CustomerWhile some of these projects are duplicates of free ones online, the bulk are VERY different! I have several books of this type and very happy with each of them--this one just had a few projects that I will definitely make for my granddaughter and my niece! The cakes are the koollest!!!

With the explosion of the amigurumi craft trend, Yummy Gurumi brings 20 offbeat, unexpected, and charming crochet projects to crafters. Yummi 'Gurumi: Over 60 Gourmet Crochet Treats to Make from Christen Haden and Mariarosa Sala is a "cookbook" for the hottest trend in the yarn craft world: crocheting tasty treats that look good enough to eat! Yummi 'Gurumi features 20 "recipes" to guide crafters--from the hairnet set to the hipster jet set--through this evolutionary next step in the craft craze known worldwide as amigurumi--the Japanese word for knitting and crocheting cute, little animals and objects. With techniques easy enough for novices yet adaptable to keep expert crocheters interested, each of the delectable dishes in Yummi 'Gurumi takes less than an hour or two to create. Each design is explained with stitch guides, clear patterns, and easy-to-follow instructions. And perhaps the best part of Yummi 'Gurumi--no calories!
