Adele Enersen : Zen Chickens: Meditative Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Zen Chickens: Meditative Coloring Book:

0 of 0 people found the following review helpful. ... yet to color this book but the pictures are beautiful. I hope to color and frame two of ...By Helicopter-ish Free Range-yI have yet to color this book but the pictures are beautiful. I hope to color and frame two of the pictures for use on my hobby studio wall which will also double as the storage area for my egg cartons and eggs for sale.0 of 0 people found the following review helpful. This is an amazing coloring bookBy Erin FritzThis is an amazing coloring book! If you love chickens and enjoy some down time coloring I would highly recommend this! We are even contemplating laminating them and framing them as decor for the chicken coop!1 of 1 people found the following review helpful. I have chickens so this adult coloring book is perfect. There are some really beautiful pictures in itBy TheresaI have chickens so this adult coloring book is perfect. There are some really beautiful pictures in it. Glad I ordered it.

Over 70 unique and stunning hand-drawn illustrations of chickens, roosters and baby chicks by an artist and a chicken owner. The illustrations vary from minimal detail to highly detailed, making it perfect for multiple coloring methods. Share your own color creation in social media with hashtag #ZenChickensColored

About the Author Adele Enersen is an illustrator, artist, world famous blogger and a childrens book author and a bunch of other silly titles, but first and foremost, she is The Crazy Chicken Lady of Burbank, CA. She was born and raised in Finland, but now living in California with her family flock.
