**Peter Pauper Press : Zombie Rescue Kit** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Zombie Rescue Kit:

0 of 0 people found the following review helpful. Great stocking stuffer or gag gift for a zombie fan...By Darlene S. HuttThe zombie is hilarious. We all got a kick out of him out of the box. My father in law who is upper 60's got a hoot from it as well.1 of 1 people found the following review helpful. Zombie Rescue Kit ReviewBy Gally LinesLestISmiteThee.wordpress.com (originally posted on Goodreads)Even if you've never glanced at the little box kits next to the book store cash register, the Zombie Rescue Kit is too strange to miss with those bloodshot, hungry-for-love eyeballs staring at you through the plastic window.The funny 16-page owner's manual comes with an adoption certificate next to a portrait of your zombie; name ideas (we named ours "Zed"); health and medical records; appearance, feeding, and behavior checklist; safety tips; socialization and toy suggestions; and zombie jokes.The adorable 7" zombie plush is the real prize. It comes in three sections: head, upper body, and lower body, all detachable and re-attachable via velcro. One of my cats already likes playing fetch with Zed's head.The only things I would

improve are having a couple different types of zombie plush rather than the exact same plush in every kit; having felt clothes or something on the plush rather than different colors in the fabric to indicate a torn blue shirt, tattered brown pants, and one lonely black shoe; and I'm concerned that the black threads that make up the hair on one half of the zombie's head will fray and fall out because they're not glued at the ends. Whether you want to have your very own office zombie, undead purse guardian, or ever-hungry sleep buddy, the Zombie Rescue Kit is a small, entertaining buy for zombie fans. Just be careful not to lose your zombie's torso or you'll just have to stick its head on its butt. Review Gally Lines 01.15.14

Awww! You know you can't resist the cute little zombie in the window! (It's a no brainer!) Rescue it now! Your zombie comes complete with a handy Owner's Manual that includes: Adoption Certificate Ideas for naming your zombie (Crusty? Drooly? Bubbles?) Feeding your zombie (Braiiins? Graiiins?) Safety tips (for you) Suggested activities (going to the mall, zombie walks) And more Irresistible Rescue Kit box features see-through acetate "window." Box measures 3-1/2" wide x 4-1/2" high x 1-1/2" deep. Warning: CHOKING HAZARD small parts. Not for children under 3 years.
